DOYLE ANNOUNCES SNOWSHOE CLINIC

The Monroe County Parks Department will be offering residents an introduction to snowshoeing clinic on Presidents Day, Monday, February 18, at the Mendon Ponds Park Nature Center.

"Our County parks provide the perfect place to enjoy this wintertime activity," said County Executive Jack Doyle. "The Snowshoeing clinic is one of many fun outdoor events happening in our parks this winter."

The clinic is designed for beginners, although everyone is welcome. An instructor will cover the basics of snowshoeing and take the group on a guided hike.

The snowshoe clinic is from 2:00 p.m. to 3:30 p.m., and costs \$4.00 per person, which includes renting snowshoes. Mendon Ponds Park Nature Center is located at the corner of Route 65 (Clover Street) and Pond Road. Please Call 265-4956 to register.
